Rikki's Reflections ...

Wednesday 3rd November 2021

Tēnā koutou katoa,

It was fabulous to see the skateboard lessons resume today - one of the few things we can have under the current Alert Level restrictions. While the restrictions have limited and changed what we do, there is still a lot going on for our tamariki. Cross Country was one such event and the results are included today.

Calendar art and school photos have also been completed - you should have your orders.

As the end of year draws nearer, our minds turn to how we are going to manage our prize givings and the usual end of year events. Our prize giving will be very different, due to the Covid-19 restrictions. We have decided that we will have End of Year assemblies by team (eg. Kākano, Pihinga, Kōhuri, Te Whanake and Māhuri) all on Thursday 14th December. They will be closed events with no parents, caregivers able to attend. We will livestream these so everyone can see the events. We are excited to try this new model and will keep you informed of times once they are finalised.

A reminder, when you enter school we please wear a facemask for the entire time you are onsite, unless you are in a meeting with a staff member. Please sign in using the QR code on the gates (or at the office). We also ask that you do not enter classroom spaces at this time. This is purely for health and safety purposes and your support is appreciated.

Your wellbeing, and that of our children and staff are at the top of our list, please help us to do this to the best of our ability.
