Rikki's Reflections ...

Tuesday 16th March 2021

Tēnā koutou katoa,

What a great week we are having. We have set up our Senior Athletics differently this year and Day 1 went fantastically. Well done to Whaea Lynne and her team. Thank you to Waiopahu College for their support with student leaders and thank you to all our whanau for coming along to watch. Today the rain defeated us, but it is only a postponement.

Our Year 5 and 6 campers are back and completing many follow-up tasks after a great 3 days away.

Tomorrow we have Kōhuri off to Te Takaretanga o Kura-hau-pō. Isn't it great to have such a facility in town for our children and community.

A reminder that we are using Hero to share notices and student learning, so please be sure we have a current email address and that you are checking in regularly.

Go Team New Zealand. Have a great week!

Ngā mihi mahana

Rikki Sheterline
(Tumuaki / Principal)

ENROLMENTS FOR 2021/2022

DO YOU HAVE A 4 YEAR OLD AT HOME?

Collect an enrolment form from the school office for any children under 5 years of age - it helps us with our future planning.

Chicken pox

We have students away with chicken pox at the moment.

If your child/ren have not yet had them please keep an eye out for the following signs:

Children can get a possible fever or headache. They will have spots that appear with a blister on top of each of them. These blisters pop and then scab or crust. The blisters are usually on the stomach, back and face and then spread to other parts of the body. Blisters can also be inside the mouth and on the head.

Time required off school: One week after the rash starts.

PE Tags can be bought from the office for **\$2.00**.

These can be used throughout your child's time at school.
