Rikki's Reflections ...

Tuesday 1 June 2021

Tēnā koutou katoa,

Welcome to June - hasn't the last month gone quickly?

Today I want to start by passing on our condolences to the Singh family and the Garton family, both who have lost loved ones in the last week or so. Our thoughts and hearts are with you.

Alongside our regular learning programmes, over the last week we have seen children and whanau involved in special events. Last week we had a small group attend the Chess Power Regional tournament at Levin Intermediate. There were some outstanding results and we now have a player who has qualified for the national tournament in Rotorua later in the year and are waiting to hear if our team has qualified. Congratulations to Haoyan Bai.

Yesterday we held a lovely Wāhine Toa afternoon tea where over 100 mums, aunties, nana, kuia and whaea enjoyed time together celebrating the influence they have on the lives of the tamariki at Levin East School. It was a lovely afternoon, and my thanks to all who could make it. Thanks also to Miss Mavridis, Mrs Raue and Mrs Kusabs for their organisation.

We also had over 40 children attend the Tough Guy, Tough Girl challenge in Papaioea - Palmerston North yesterday. By all accounts they had a wonderful time, enjoying the event and representing both themselves and the kura

superbly. This looks to be an annual event for our children and I thank Mrs Hirini-Watson for her work to make it happen. A huge

thank you also to the whanau who supported the children at the event, as without parent helpers, none of our trips happen.

A REMINDER THAT LEVIN EAST SCHOOL IS CLOSED THIS FRIDAY FOR A STAFF ONLY DAY.

Student Wellbeing Survey

At Levin East School, our staff are always looking to improve the way we support our tamariki both inside and outside the classroom. Neta Sadlier and Susan Exton-Dahya's focus is around student wellbeing. Your knowledge of your tamariki is incredibly valuable to us and we would really appreciate it if you could take the time to fill in and return the survey attached to this week's newsletter. The information gathered will remain confidential, but will be collated to help guide us with any changes we need to make in order for all our students to thrive in all aspects of school life. You can also access the survey by typing the following link into your browser - <https://forms.gle/ZGqkXvEF46BAqVmD7> or accessing the link from your notifications on Hero.
