

# Levin East School Newsletter

## Term 2 Week 6 2021

### Rikki's Reflections ...

**Tuesday 8 June 2021**

Tēnā koutou katoa,

It was great to see Levin feature as having the warmest temperatures over the Queen's Birthday weekend. Fine weather always makes a smile easier!

Today I want to write about Community Connection, a key part of our work. In the newsletter you will see a Community Connect opportunity, with the focus on keeping children safe online. We are thrilled to be able to offer this and hope as many of you as possible can come along. Online respect and online safety are an important way to ensure that you are supporting your children in what can be a difficult space.

Over the last two weeks Matua Ricky has met with the Senior Kapa haka and Tamariki Ora roopu and there is a lot on for both groups. If you have a child in either, or both of these roopu, please touch base with Matua Ricky about what is happening. Exciting times!

Coming up are our 3-way conferences (22-24 June) where teachers meet with children and their whanau around success, progress and achievement. This is a big part of connecting with families and getting your input into learning activities for your child. Please keep an eye out for more information, and book your conference as soon as you can.

Next week also sees our Showquest team hit the stage in Palmerston North. We are thrilled to be able to support such a venture and look forward to seeing the one-time-only performance on stage on Wednesday night.

Tickets are available through:

Have a great, shorter week.

*Ngā mihi mahana*

### Student Wellbeing Survey

At Levin East School, our staff are always looking to improve the way we support our tamariki both inside and outside the classroom. Neta Sadlier and Susan Exton-Dahya's focus is around student wellbeing. Your knowledge of your tamariki is incredibly valuable to us and we would really appreciate it if you could take the time to fill in and return the survey attached to last week's newsletter. The information gathered will remain confidential, but will be collated to help guide us with any changes we need to make in order for all our students to thrive in all aspects of school life. You can also access the survey by typing the following link into your browser - <https://forms.gle/ZGgkXvEF46BAqVmD7> or accessing the link from your notifications on Hero.

If you have any questions, please feel free to Contact:
